

THE GRASS IS ACTUALLY GREENER!

HOUSE HUNTERS WANT A LAWN BECAUSE...

Safe playing area for the kids

73%

For relaxation

32%

Gardening is a hobby

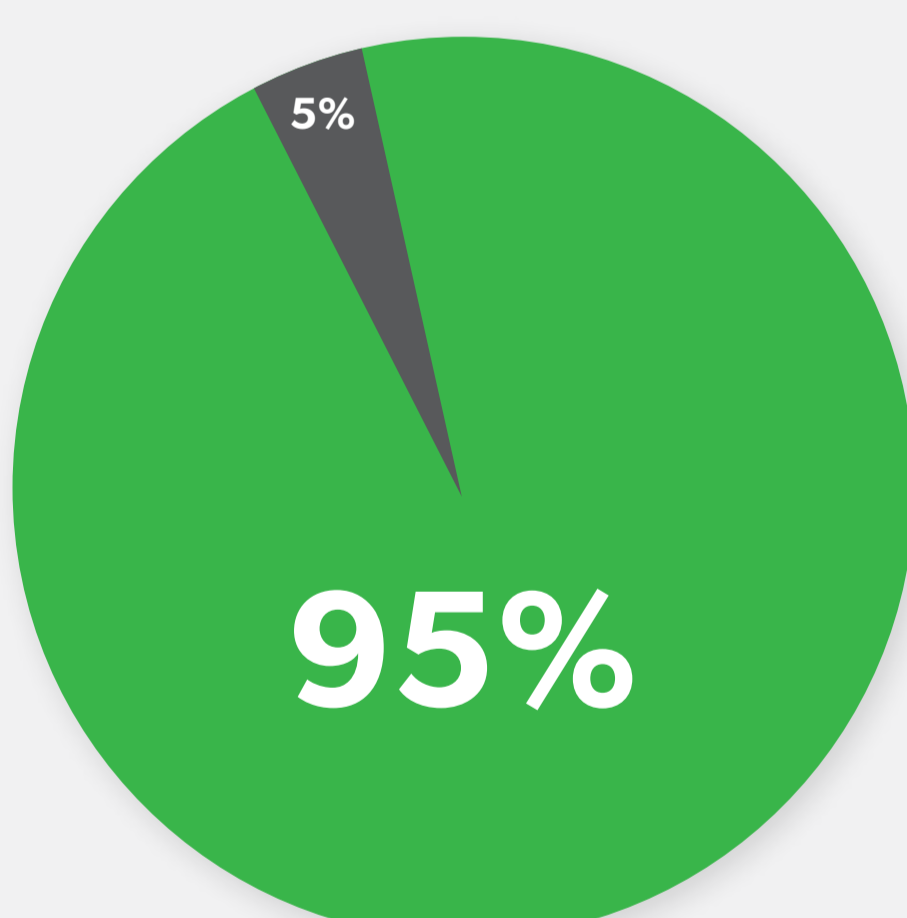

14%

VALUE A LAWN ADDS TO A PROPERTY

AUSSIES WHO WANT REAL GRASS IN THEIR BACKYARD

“The grass actually is greener - adding up to \$83,600 to the sale price of your home. Concrete slabs, pavers and synthetic lawns are out and buffalo is back after a new survey revealed home buyers will pay up to 19 per cent more for a house with a lawn.

— Vikki Campion, Urban Affairs Reporter, Daily Telegraph
